Declaration of Conformity

Reference: Low Voltage Directive 73/23/EEC

- We herewith declare that the following products:

condensing units AZ, THB, AEZ/CAEZ, AE/CAE, AJ/CAJ/TAJ, AH/TAH, FH/FHD/TFH/TFHD, AG/TAG/TAGD, TAN, HGA, CAJD/TAJD, CAJTR/TAJTR, Silensys® are in conformity with the Low Voltage Directive 93/68/EC

- Applied harmonized standard:

IEC 335-1 [EN 60 335-1]

Safety of household and similar electrical appliances - General

IEC 335-2-34 [EN 60 335-2-34]

Safety of household and similar electrical appliances - Particular requirements for Moto-Compressors

- To incorporate our product in a machine, the Declaration of Incorporation has to be observed. Our condensing units are not directly affected by the Pressure Equipment Directive but shall be considered as a compatible sub-assembly.
- The pipe work fitted to the condensing units conform with the Pressure Equipment Directive 97/23/EC, of 29th May 1997, clause 3, § 3.

Jean-Paul Morlet
Condensing Units Division Director
